Here is the **Party B**

As the parties have agreed as follows regarding the paid employment placement business, two copies of this agreement have been created, and each party will hold one copy.

(Partnership business)

- I. In the "Business Alliance Agreement" between Party A and Party B, the businesses to be partnered with will be those listed in the following paragraph.
2. Job seekers residing in the People's Republic of Bangladesh (hereinafter referred to as "Bangladesh") who have applied for employment with **Party A** and wish to work in Japan, among those who have applied for employment with **Party B**, will be introduced by **Party B** to employers seeking to hire foreign workers. In such cases, the job seeker must also apply for employment with **Party A** in accordance with the laws of Bangladesh.
3. The details of Party B's operations are: (1) accepting job applications from job seekers in Bangladesh, (2) Mediating the establishment of employment relationships between job seekers in Bangladesh and job seekers introduced by
